

## 2019 CERT Training

The Community Emergency Response Team (CERT) program provides education concerning disaster preparedness for hazards that may impact your area. Using the training learned in this course along with hands on exercises, CERT members are prepared to assist others in their neighborhood or work place following an event when professional

responders are not immediately available to help.

**Where:** CIF&R Fire Vista Madrona Station #4  
273 N. West Camano Dr.

**When:** This is an accelerated class held on three consecutive days.

- October 18 (Friday) 6 to 9:30 PM - Orientation and Introduction
- October 19 (Saturday) 9 AM to 6 PM - Classroom and hands-on
- October 20 (Sunday) 9 AM to 6 PM - Classroom and hands-on

**What to bring:** Friday evening will be indoors with no special requirements beyond pen and note paper. Bring lunch on Saturday and Sunday and wear comfortable work clothes and shoes for both days.

Exercises will be conducted indoors and out. The CPG will provide coffee, tea, bottled water, and munchies. The DEM will provide hard hats for the exercises. **Attendees need to bring gloves, dust mask, eye protection, flashlight, whistle, and a day pack.** If you don't have these items, [www.cert-kits.com](http://www.cert-kits.com) or [http://preparesmart.com/mm5/merchant.mvc?store\\_code=p&screen=ctgy&category\\_code=001](http://preparesmart.com/mm5/merchant.mvc?store_code=p&screen=ctgy&category_code=001) are good sources to purchase them.
